

Imperial Valley College

Vice President for Administrative Services

DEFINITION:

Under the direction of the Superintendent/President, serve as the Chief Business and Operations Officer (CBO) of the District in the technical organization and management of fiscal services and operations, including budget development and control, accounting, employee benefits, payroll, purchasing, contract and facility grant management, facilities development, maintenance and operations and/or related functions. As a direct report to the Superintendent/President, the Vice President may be assigned additional related responsibilities as part of the executive management team.

EXAMPLES OF DUTIES:

- Is responsible for strategic financial plan development that sustains the fiscal health and stability of the District
- Is primarily responsible for revenue forecasting, budget development, planning, and allocation of District financial resources. Oversees development and monitoring of district budgets consistent with district goals and applicable laws; advises the college on fiscal implications of budgetary decisions.
- Oversees budgets for all programs supervised; provides for the internal allocation and regulation of funds through requisitions and internal adjustment of funds.
- Participates in policy development in matters of fiscal management and business operations.
- Manages operations and provides innovative leadership for the college and specific areas of responsibility.
- Selects, trains, supervises, and evaluates managers and other staff; coordinates the work of Administrative Services with other major college units.
- Coordinates the planning, development, and implementation of innovative approaches to fiscal management using technology, data management, or analysis to support the college's mission.
- Oversees facilities planning and maintenance and operations projects, including capital and bond funds, bid processes, award of contracts and general supervision of ongoing scheduled maintenance and new building projects.
- Effectively represents the college in the community.
- Participates in appropriate committees, conferences, seminars, and workshops.
- Directs the administration of District business services office, maintenance and operations, and purchasing.

- Monitors District expenditures to assure that fiscal activities comply with federal, state and local agency requirements.
- Makes recommendations to and assists the Superintendent/President in the formation and implementation of procedures and programs relating to business and general services.
- Is responsible for annual audit and special audits for all areas related to fiscal and business affairs.
- Serves on District negotiation team as required.
- Coordinates cooperative intergovernmental fiscal projects.
- Serves as liaison between Superintendent/President, architects and contractors.
- Performs other duties as assigned by the Superintendent/President.

KNOWLEGDE, SKILLS AND ABILITIES:

- Knowledge of public policy issues as they relate to California Community Colleges.
- Knowledge of and skill in finance and fund accounting, and the ability to apply both to California Community Colleges.
- Ability to develop financial strategies to support capital improvement projects and to fulfill institutional long-range planning goals.
