STATE UPDATE

System Report for 2015

The Chancellor has released the 2015 State of the System report which details some of our results in restoring access, improving student success and enhancing our role in workforce and economic development.

State Budget

Governor Brown's January budget proposal is the first of the long-running budget process leading to the May revise and final adoption by the end of the fiscal year. The governor's recommended investment in the restoration of access and in our workforce initiative, as well as his proposals for basic skills and improvement of the Cal Grant program are all very important to the future of our colleges and their ability to serve our students.

SDICCCA LEGISLATIVE MEETINGS

SDICCCA members met with 8 legislators and 4 staff members from our region February 1.

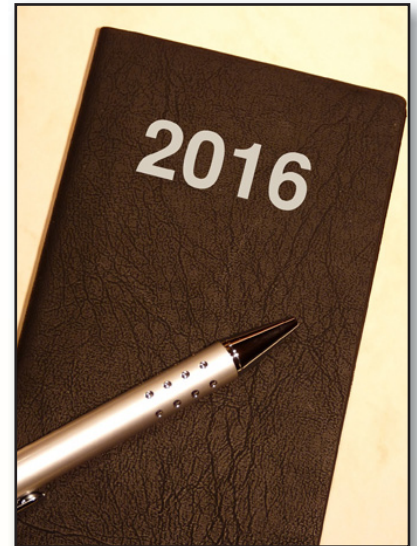

SDICCCA LEGISLATIVE TOPICS

- Long-term funding stability and funding solution for STRS and PERS needed.
- Funding sought for full-time faculty, and an increase in COLA to account for inflation.
- We need a strong workforce investment.
- Provide line item for base allocation.
- We endorse the intent of SB 66 (Levy) to renew the career pathways Program.
- We seek legislation to implement the board of governors' workforce Taskforce recommendations.
- Funding is sought to boost the number and amount of Cal Grant B and C Awards. (Ab 1721 Medina).
- Expand need levels for BOG waivers (AB 1583 Santiago).
