ACADEMIC SERVICES

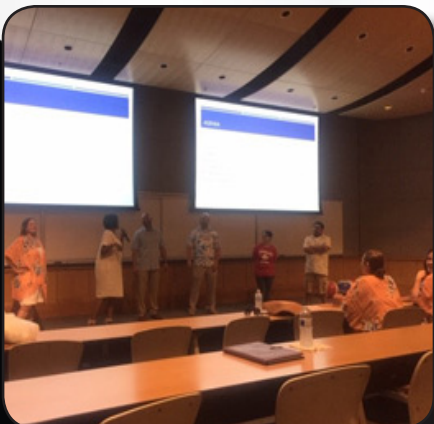

- On July 30th, students from IVC Talent Search and local high schools participated in a three-hour robot building and programming challenge.
- During the session students were provided a kit with all necessary parts to build a walking robot. The students were challenged to (1) assemble the robot, (2) wire the servo-motors to the CPU, (3) program the robot to walk and (4) repeat any steps needed to make the robot walk smoothly.
- This activity was led by UCSD's Engineering Program Coordinator, Nick Stein and IVC Chemistry instructors, Dr. Jim Fisher and Dr. Omar Alshykhly.

STUDENT SERVICES

Student Services Convocation Department Meeting

- Student Services Faculty and Staff met during Convocation.
- The Vision for Success Goals and updates from Student Affairs and Enrollment Services and Student Services and Special Projects were included on the agenda.
