University Business Magazine; WalletHub Study:
2020's Best & Worst Community Colleges

➤ Imperial Valley College (IVC) was ranked **number 1** in the cost and financial category! This category includes a number of factors: such as tuition and fees, presence of free education, grant and scholarship aid and per pupil spending. <https://bit.ly/3aQpCJX>.

➤ IVC was ranked 166 of 698 colleges! Factors included in analysis: (1) Cost & Financing; (2) Education Outcomes; and (3) Career Outcomes. <https://wallethub.com/edu/e/best-worst-community-colleges/15076/#rankings-by-state>

Congratulations

Alternate Care Site Impact

- As of August 17th, 213 community members were treated at the alternate care site with an average length of stay of 4.48 days (approximately 955 hospital bed-days total).
- This service enabled our local hospitals to focus resources on the most severely ill COVID-19 patients, and undoubtedly has saved lives.

Health Screening Process

- A pre-screening process and COVID-19 spread prevention plan was created and implemented on Monday, August 17th, to enhance safety for our students and employees.
- Individuals that come to the campus must undergo the pre-screening process, which includes completion of a questionnaire and body temperature monitoring.
- Tremendous gratitude is expressed to everyone involved, especially to the campus safety team!
