STATE UPDATE

- **AB 275 (MEDINA) CLASSIFIED EMPLOYEES**

Currently, colleges and collective bargaining units are permitted to negotiate the length of a probationary period for a newly hired employee for up to one year. This bill would reduce the maximum length of time from one year to six months.

- **AB 375 (MEDINA) PART-TIME FACULTY LOAD**

Would require that negotiation on reemployment preference for part-time, temporary faculty assignments be based on the minimum standards not exceeding 80% to 85% of a full-time equivalent load and would prohibit the community college district from restricting the terms of the negotiated agreement to less than that range, unless explicitly agreed upon by an individual part-time, temporary faculty member and the district.

- **AB 438 (REYES) CLASSIFIED EMPLOYEES: LAYOFF NOTICES AND HEARING**

Would provide classified school employees with the same rights to a notice and hearing with respect to layoffs as is provided to certificated employees of school districts or academic employees at community colleges.

- **SB 205 (LEYVA) EMPLOYEE SICK LEAVE**

Would require an employee, who exhausts all available sick leave and continues to be absent from duties on account of illness or accident for an additional period of 5 months to receive the employee's full salary during those 5 months.

- **SB 270 (DURAZO) EMPLOYEE INFORMATION**

Current law requires public employers to provide contact information of new employees to their collective bargaining agents. This bill would make public employers eligible for fines if they fail to provide accurate information to that agent.

- **AB 337 (MEDINA) BOARD OF GOVERNORS STUDENT MEMBERS**

Currently, there are two student members on the board of governors, one of which cannot vote on board actions. This bill would provide the second student member a vote.

CAREER TECHNICAL EDUCATION

- **AB 299 (VILLAPUDUA) CAREER TECHNICAL EDUCATION: APPRENTICESHIP GRANT PROGRAM**

Would provide supplemental grants to students who qualify for the federal Pell grant or for state financial aid and who participate in approved apprenticeship programs through campuses of the California community colleges.

DUAL ENROLLMENT

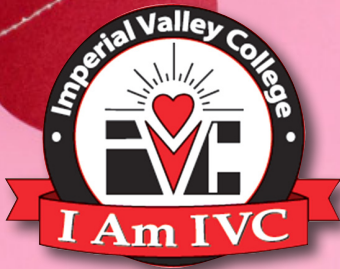

- **AB 102 (HOLDEN) COLLEGE AND CAREER ACCESS PATHWAYS: SUNSET DATE**

Would remove the current sunset date of 2027 of college and career access pathways program, which would significantly expand our college's ability to provide dual enrollment opportunities to high school students.

- **AB 103 (HOLDEN) COLLEGE AND CAREER ACCESS PATHWAYS: COUNTY OFFICES OF EDUCATION**

Would permit county offices of education to enter into college and career access pathways agreements with community colleges.
