LEGISLATIVE UPDATES

- ◆ **Assembly Bill (AB) 102** (Holden, D-Pasadena) would eliminate the 2027 sunset date for College and Career Access Pathways (CCAP) dual enrollment partnerships, remove the 10% statewide limit for full-time equivalent (FTE) students claimed as special admits, and would allow county offices of education to participate in CCAP partnerships.

- ◆ **AB 1187** (Irwin, D-Thousand Oaks) would expand the type of noncredit courses eligible for apportionment funding to include supervised tutoring for foundational skills and transfer-level courses offered by community colleges after regulations are adopted by the Board of Governors by July 31, 2023.
- ◆ **AB 1655** (Jones-Sawyer, D-South Los Angeles) would add June 19, known as "Juneteenth," to the list of state holidays and would thus require public K-12 schools and community colleges to close every June 19.
- ◆ **AB 1667** (Cooper, D-Elk Grove) would alter the manner in which the California State Teachers' Retirement System (CalSTRS) can audit public school employers, employees, and retirees related to the reporting of creditable service and compensation and limit CalSTRS' ability to collect pension overpayments arising from errors in reporting disallowed compensation.
