LEGISLATIVE UPDATE

◆ **AB 811 (M. Fong) Repeatability**

Would increase the number of times a student may take a credit course for which they received a substandard grade up to five times. Students who received a satisfactory grade would be permitted to repeat a course at least three times for personal enrichment. Recent amendments narrowed this legislation to focus on the arts, humanities, kinesiology, foreign languages, and ESL.

Position: WATCH / Location: Assembly Suspense File

◆ **AB 634 (Ward) CDCP Programs**

Would require CDCP courses to be funded via a positive attendance funding count or on a census date basis, depending on when and how often the course meets either in person or online.

Position: SUPPORT - Location: Assembly Suspense File

◆ **AB 260 (Santiago) Community Colleges: Part-Time Employees**

Would require the ratio of pay for part-time faculty members to be equal to their full-time colleagues. This is a requirement upon receipt of funds allocated for student success categorical programs and thus would not be a reimbursable mandate.

Position: OPPOSE - Location: Assembly Suspense File

LEGISLATIVE UPDATE CONTINUED ...

◆ **AB 1190 (Irwin) Part-Time Faculty Office Hours**

Originally this bill would have created a prescriptive formula on the number of office hours a college would be required to assign to a part-time faculty member. It recently took amendments that delete the above provisions and instead would require colleges to pay for part-time office hours in an equal ratio to full-time faculty members.

Position: CONCERN - Location: Assembly Suspense File

◆ **AB 472 (Wicks) Compulsory Leaves of Absence**

Among other items, would require schools and community colleges to fully compensate an employee for lost wages if that employee was placed on unpaid leave due to an investigation into criminal or administrative charges, but the investigation was found in the employee's favor.

Location: Assembly Suspense File

◆ **AB 358 (Addis) Field Act Exemption**

Would exempt community college housing from the Field Act, which requires the Department of General Services to supervise the design and construction of school buildings, except upon request by the community college district.

Position: SUPPORT - Location: Senate Rules

◆ **SB 532 (Wiener) Enhanced Transparency for Local Tax Measures**

Would enable local jurisdictions to provide enhanced information in the voter information guide rather than on the 75-word ballot label, which does not provide enough space for appropriate context and explanation, ultimately causing confusion among voters.

Position: SUPPORT - Location: Senate Suspense File

◆ **AB 252 (Holden) Student Athlete Protection Act**

Would create a regulatory agency empowered to investigate and manage California collegiate athletic practices related to student academic, mental, and physical health. Additionally, it mandates the creation of a degree completion fund for student-athletes that obtain an athletic scholarship.

Position: OPPOSE - Location: Assembly Suspense File

◆ **AB 299 (Holden) Hazing: Institutional Liability**

Would make educational institutions, including community colleges, liable for hazing activities occurring within student body organizations affiliated with those institutions.

Position: OPPOSE - Location: Assembly Suspense File

Would exempt from the nonresident tuition fee a nonresident, low-income student who is a resident of Mexico, registers for lower division courses at a San Diego and Imperial Counties Community Colleges Association (SDICCCA) college and has residence within 45 miles of the California-Mexico border.

Position: SUPPORT - Location: Assembly Suspense File

◆ **AB 680 (Rubio) Non-Resident Tuition**

Would create a new AB 540 pathway for community college students to qualify for in state tuition at any California public college or university by (1) completing 60-semester or 90-quarter units of credit in a California community college or (2) attaining an associate degree for transfer.

Position: SUPPORT - Location: Assembly Suspense File

◆ **AB 610 (Holden) Transit Passes**

Would create a free student transit program by awarding grants to transit agencies for the costs of creating, designing, developing, advertising, distributing, and implementing free transit passes to persons attending certain educational institutions, providing free transit service to holders of those passes.

Position: SUPPORT - Location: Assembly Suspense File

◆ **AB 1542 (M. Fong) Student BOG Member Support**

Would increase the pay of each student member of the Board of Governors to \$4,000 per semester via the Student Success Completion Grant.

Position: SUPPORT - Location: Assembly Suspense File

◆ **SB 629 (Cortese) Community Colleges: fee waivers**

Would authorize any CCD to adopt a policy that uses local unrestricted general funds to provide fee waivers to students with the greatest financial need. Funds can be used to assist students with addressing their total cost of attendance. Districts that benefit from this policy must ensure that 100% of students are completing FAFSA or the California Dream Act Application (CADAA) and must have a fully staffed Basic Needs Center.

Position: SUPPORT - Location: Senate Suspense File

◆ **AB 1400 (Bryan) Community College Transfers to Historically Black Colleges and Universities**

Would provide up to \$5,000 financial aid scholarships to community college students who are transferring to Historically Black Colleges and Universities. For funding, would redirect current funds received through the College Access Tax Credit Fund.
