STUDENT SERVICES

The TRiO Upward Bound Math & Science Program held its Robotics demonstration on Thursday, July 13, 2023.

Students worked on their projects for four weeks and prepared for the Robotics competition.

It was a great learning experience for our students who learned about software engineering, electrical engineering and mechanical engineering.

In addition, they enhanced other essential skills such as communication, team-building, and leadership.

STUDENT SERVICES

Student Equity and Achievement conducted the monthly food distribution for students and the local IVC community on June 21, 2023.

In collaboration with the Imperial Valley Food Bank, and the help of IVC student and staff volunteers, 482 individuals were served.
