

**Imperial Valley College**  
**Public Safety Training**  
**MEDICAL EXAMINATION REPORT**  
**INSTRUCTIONS TO PHYSICIAN**

The person requesting this examination is an applicant to the Imperial Valley College Public Safety Training Law Enforcement or Correctional Academy Program. Listed below are examination categories and descriptions of the types of activities the applicant will be required to perform. Please examine the applicant and answer the following. Provide any written comments or notations on the attached page.

Applicants Name: (Last, First, Middle)			
Date of Birth	Gender	Height	Weight

**1. VISION**

The applicant's training will include firearms, precision driving, and scenario training that will be performed in daylight, dim light, and inclement weather. The applicant will be placed in realistic police situations requiring visual acuity for the identification of persons and objects by color and shape and in situations that will require the ability to detect peripheral movement. The applicant will be required to spend extensive hours of reading textbooks and manuals. In your opinion, does the applicant have, or is the applicant likely to develop, any physical limitations that could impair performance as described?

- NO  
 YES – Please describe in comments section

**2. HEARING**

In addition to regular classroom instruction, the applicant will be placed in realistic police situations that required the ability to detect sounds, hear movement, and discern direction with both ears. The applicant will participate in training that will expose them to loud noises such as gunfire, sirens, and alarms. For situations where extended exposure to loud noise is anticipated, ear protection is required. In your opinion, does the applicant have, or is the applicant likely to develop, any physical limitations that could impair performance as described?

- NO  
 YES – Please describe in comments section

**3. CARDIOVASCULAR, MUSCULAR, SKELETAL, AND FLEXIBILITY**

A. The applicant will be required to perform rigorous physical activity to include running distances up to 3 miles, performing short sprints, crawling, jumping, climbing, dragging a simulated body weighing approximately 160 lbs., performing calisthenics, push-ups, pull-ups, using exercise weights, performing stretching exercises, running through an obstacle course, running up and down stairs and over uneven terrain, and jumping from a six-foot wall. In your opinion, does the applicant have, or is the applicant likely to develop, any physical limitations that could impair performance as described?

- NO  
 YES – Please describe in comments section
